heavy tax burdens. heavy tax burdens. Hartford, Conn.—The record for indutry on the part of a flock of hens is dustry on the part of a flock of hens is claimed by G. H. Siede of Snipaic Lake, Conn. In the list three months 160 hens owned by him have produced 7,775 eggs.

Berne.-The police authorities at Berneworking with the police at Box-en, in the Tyrol, have captured at the latter place a gang of international thieves both men and women, who are certainly believer to have robbed many wealthy American robbed many wealthy American tourists during the past three years. A large amount of their plunder was dis-posed of before the criminals were ar-rested, but the authorities are anxious to find owners for the remainder, the value of which amounts to £200,000. The booty recovered i almost every variety of Jewelry, an the Swiss authorities are anxious to head from all American travelers who have lost valuables while traveling by the international express trains be-tween France, Switzerland and Italy. Among the stolen articles recovered are at least 100 pearl neckiaces, diamond pendants, brooches and tlaras. There are many gold watches and bracelets, some bearing initials and other marks

of identification. The thieves made a practice of steal-ing even articles of small value, such as a plain wedding ring with the indarling wife." Silver toilet articles and traveling bags were also found.

Dublin.—In no sectiton of the British empire is keener interest felt in the approaching meeting of parliament than in Ireland, and this is natural, for the future of the country depends in great measure on what will be done the next few months at Westminster. In con versation with one of the nationalist leaders this week, he said to me: 'Much will depend on the decision of Mr. Asquith as to whether his first ob-ject when parliament meets will be to curtail the veto power of the lords, not only as affecting financial measures, but general legislation, or whether he will first pass the budget. If he is wise he will tackle the lords first, not only because this is the most important matter to be settled, but because on this question he can command the full support of Liberals, Nationalists and Laborites. On any other question he is bound to lose votes and thus weaken his position. We do not intend to unreasonably force the hand of the gov-ernment on the home rule question. Mr. Redmond next to Parnell is the ablest parliamentary tactician Ireland has ever produced. He is after results, and while he will abate Ireland's demands not one jot or title, he will not imperil the cause by hasty or II-advised

ST. JOHN'S HOSPITAL, HELENA, MONT. Founded in 1870 by the Sisters of Foundary, Leavenworth, Ran, this in-struction has successfully treated thousands of patients. Its trained nurses and corps of entirent phys-cians are always on duty to aid pa-

tients.
Attached to the hospital is a training school for nurses. A special course of lectures and practical experience prepare them for all branches of nursing. Young lades desiring to become trained nurses have here the Apply to the Sister Superior,

Helena, Montana.

## SACRED HEART ACADEMY.

Missoula, Montana. Established in 1873. Under the direction of the Sisters of Charity. In this academy are offered rare advantages for a thorough, refined Christiau education. The system includes the training and development of the hearts and minds of the young ladies and prepares them to be useful memoers of society.

BUILDINGS. Everything conductive to health and umfort is carefully looked to in the irge, commodious buildings.

Power of Good Example

Manchuria, charging a violation of the international convetuions.

Because of the distress of the people, as well as the effect upon the flour mills at Harbin, Russia made strong representations, expressing the conviction that the prohibition was in the nature of retallation for Russian action regarding the railways and other questions concerning Manchuria.

Birmingham. Ala.—George Stevens, son of a prominent mine operator, sinot and killed three of his little children, shot and dangerously wounded their colored nurse, and then shot and killed himself.

A ten-year-old son escaped from the house. A note was left by the father saying:

Chatsworth, Ill.—Four bandits blew the safe of the Citizens' bank here, got \$10,000 and escaped. Night Marshal William Cahili was taken unawares at the city pumping station about 1 o'clock by two of the desperadoes, bound and gagged and taken to a garting epoposite the bank. With Cahill out of the way, the bank door was forced and work on the safe commenced.

A baker en route to his shop was next caught, tied hand and foot and dragged into the bank. There he remained until 4 o'clock in the morning, when he was able to loosen himself and give the alarm. In the meantime the safe door was soaped and opened, presumably with nitroglycerine. With the \$10,000 stowed away in a sac, the billities.

A Thought For Wives.

If I didn't object to my husband's smoking during the days of our court's ship, why should I object to it now that
